Re: Greenwood Mills, Incorporated, Complainant/Petitioner v. Duke Energy Carolinas, LLC, Defendant/Respondent
Docket No. 2010-235-E

Dear Ms. Boyd:

As stated in its August 2, 2010 letter, the South Carolina Office of Regulatory Staff ("ORS") has not investigated the above-referenced complaint. ORS, however, remains in contact with the parties, and wishes to update the Public Service Commission of South Carolina on a proposed resolution date. Previously, the potential resolution date was late 2010. The date is dependent on information needed from machinery Greenwood Mills is installing. Greenwood Mills informed ORS on November 23, 2010 that the machinery installation is not complete and will likely be completed in Spring 2011 causing the potential resolution date to be moved to this period. Duke Energy Carolinas, LLC is aware of this time period. Accordingly, ORS requests that the testimony and hearing dates continue to be held in abeyance until further notice from the parties. This request is also supported by the other parties in the docket.

Respectfully submitted,

Shannon Bowyer Hudson
